  - Roads: Looking good, Ed was able to help for a couple of days so Jacoby could catch up on mowing, still need to mow to the east. Now we must keep up with it. Ed was a huge help. Mike was able to help with mowing at the town hall. Pay attention to N Platte with the potholes.

- Open Forum:
  - Forest Ridge Road – 5057 and 5288 dangerously narrow, a bus and car collided last winter. Catherine would love to have an embankment to shave back to help. Catherine also said that the road is not in the right spot and neighbors are not allowed to build because of it. Catherine wished the corner of 5057 shaved off to help widen the road, from 5211 – 5288

straighten out the road to actual specs, and add a dead end sign. Slade and Jacoby will get the sign and then they will check out the area and be in contact with Catherine.

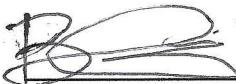

- We need a new flag, Bonnie said we have got flags from the American Legion in Hillman, Bonnie will see if Roy can get us one.

**Other information:**

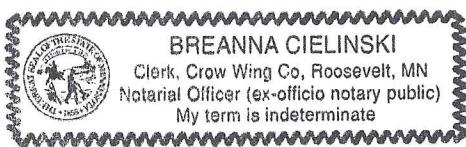

- Timber Auction
- Catherine said whoever graded the road last time did a really good job.
