- Road & Equipment Report:
 - Equipment: Oil change on grader.
 - Roads: Bone dry after all the rain we got last week. Got all the major washouts cleaned up, not many trees but a couple. Some residents helped before Slade got there – he thanked them on Facebook. Started mowing ditches again. Patching the roads has been done, waiting on crack sealing (the rain and heat is holding them back).
 - Richardson Township would like to rent Slade & grader, if Kowalczyk are unable to blade:
They currently pay Kowalczyk \$185/hour for labor and machinery. Slade doesn't have any issue doing it. Roosevelt Township would be priority. Jim makes a motion that if Richardson Township needs to rent Slade/Grader for \$185/hour we will do this
- Crisis Line and Referral was bought by Northern Pines – Breanna got the Crisis Line and Referral Services donation check back in the mail. She called them and found out Northern Pines bought them. She got ahold of someone, and they said if we want to donate to the Crisis Line just leave a note with the donation and they will make sure that it goes towards that. Sonya makes a motion to send the donation to Northern Pines and keep it as \$1000, 2nd by Jim, all approved, motion carried.
