5. Road & Equipment Report:

- Equipment: With all the storm damage Jacoby thinks we would benefit from getting a grapple for the Tractor – Modern Farm Equipment quote for \$5050 would set it all up on the same tractor we bought from them at the same time we get the warranty work done. Slade thinks this would be used a lot, it would be worth it. Slade makes a motion to buy the grapple and get it all set up on the Tractor for \$5,050, motion was 2nd by Darla, all approved, motion carried.
- Roads Getting caught up on the mowing – getting back to blading. Deutsch road has been washing out bad so they will be putting rock. Jim says he thinks roads are getting washouts because the ditches are becoming the height of the road, so the water is not rolling off the road. Jacoby would also like to have another guy to be able to help with trimming trees since it is a 2 person job and Slade and Ed are not always available. Slade makes a motion to hire part/time temporary Dru Nelson to help as needed at \$25/hour, 2nd by Sonya, all approved, motioned carried. Jacoby is going back to hourly starting July 1st, Ed is trying to back off and let Jacoby do his job. Jacoby said it is much better and going good, Ed is still being helpful.
