Sonya led the Flag Pledge.

5. Slade moved to approve the claims as listed, motion was 2<sup>nd</sup> by Darla, all approved, motion carried.
5. Road & Equipment Report:
  - Equipment: Yellow Mac got DOT.
  - Roads: Need grading lots of them, we are starting to get complaints (Port Mille Lacs Area), could have been getting done but it hasn't been. Still need to get the gravel in a few spots. Jim says there are a lot of dead trees on Camp Lake Road that may be falling down as they are barely there.
  - Employee Hours: Slade would like to review Jacoby's hours from the past. He is not putting in the hours that were agreed upon. Slade had texted him telling him he is not putting in enough hours. And nothing has improved. There is work that could be done. Trees, leaves, blading, and brushing are a few to mention. Sonya makes a motion to have an employee review meeting on June 19<sup>th</sup> at 5:30 closed to the public, 2<sup>nd</sup> by Darla, all approved, motion carried.
6. MN Demographic – Seems correct.
7. Darla reached out to Paul. They agreed to do a speed study on County Road 2 and County Road 8 going into Pine Center after construction. Whether or not the speed should be decreased at the approach. It is a long process and must go to the state. He said we could write a letter as a township to express our concerns. Darla is hopping for a 45 MPH limit out about a quarter of a mile each way. Sonya was wondering if Darla has heard any thing about the Platte Lake speed limit, she has not.

8. Open Forum:

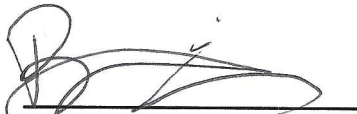

- Darla was wondering if we could switch from paper packets to emailed packets. I will do that for her and keep Slade's and Sonya's in paper packets.
